- Updated website content using HTML, CSS, and JavaScript, continuously improving design and performance
- Assisted in implementing new features from concept to execution, honing skills in creative problem-solving

Upcoming Education

- **React** Bootcamp
- **React Native** Bootcamp
- **Node.js** Bootcamp

Hobbies and Interests

- **Front-End Performance Tuning:** Constantly optimizing websites for faster load times and improved user interactions.
- **Responsive Design Experiments:** Exploring innovative ways to ensure websites look and function flawlessly on all devices.
- **Learning New Web Tools:** Passionate about staying up-to-date with modern tools, libraries, and frameworks such as React, and integrating them into projects.
- **Code Challenges:** Engaging in daily coding challenges to sharpen problem-solving skills and stay ahead in web development techniques.
- **UI/UX Exploration:** Delving into user behavior to craft intuitive interfaces that align with user needs and business goals.

Projects

- **Private Jet Sharing | jetsharing.co** - Redesigned and optimized a luxury jet sharing platform, resulting in a 31% increase in sales. Utilized modern front-end technologies to enhance user experience, focusing on performance, responsiveness, and elegant design. Developed and implemented custom features using HTML, CSS, and JavaScript, ensuring seamless navigation and booking processes across devices, while maintaining the high-end aesthetic required by the brand.
- **Portfolio Website | www.northstarcoding.com** - Developed a personal portfolio using modern front-end technologies, highlighting skills in responsive design, web performance optimization, and interactive elements. Showcased a variety of projects, demonstrating expertise in HTML, CSS, JavaScript, and the ability to deliver functional and attractive web pages.
- **Northstar Software Development | st3adyp1ck.github.io** - Built and designed a fully animated, interactive website for Northstar Software Development, showcasing advanced CSS animations and responsive layouts. Implemented features such as dynamic content updates and user-friendly navigation, elevating the overall user experience.
